RICHARDS MOTORS WIN TROPHY

In competition with other New England Pontiac dealers, Richards Motors of Middleboro Road, East Freetown, Mass. have won the Knudsen Trophy. The trophy, in the form of a gold tower, is now on display in Richards Motors attractive Pontiac showroom. It is presented to the Pontiac dealer compiling the most outstanding sales record. This year's sales campaign took place in the April-May period. The plaque is inscribed to Richards Motors for outstanding sales performance during Pontiac's 1957 April - May sales campaign. This is a most unusual and standout honor in that Richards is a comparatively small suburban dealer competing with the largest dealers in New England with large sales personel. It proves that a small modern dealer with enthusiasm and effort can successfully compete over the largest of plants.

Bill and Charles Richards are the managers and also the salesmen at Richards Motors. The garage is staffed by factory trained personel
